

Rockerdale Studios Corporate Cookies Policy

Our website use cookies to distinguish you from other users of our website. Cookies help us to provide you with a good experience when you browse our websites and also allow us to improve our site.

A cookie is a small file of letters and numbers that we store on your browser or the hard drive of your computer if you agree. Cookies contain information that is transferred to your computer's hard drive.

Our website uses the following cookies:

Analytical/performance cookies: They allow us to recognise and count the number of visitors and to see how visitors move around our website when they are using it. This helps us to improve the way our website works, for example, by ensuring that users are finding what they are looking for easily.

You can find more information about the individual cookies we use and the purposes for which we use them in the table below:

Website	Cookie	Purpose	More information
www.rockerdalestudios.co.uk	_ga	Domain: .rockerdalestudios.co.uk This cookie enables us to estimate our audience size and usage pattern. Used to distinguish users. Expiration time 2 years	Google Analytics Cookie Usage on Websites
www.rockerdalestudios.co.uk	_gat	Domain: .rockerdalestudios.co.uk This cookie enables us to estimate our audience size and usage pattern. Used to distinguish users. Expiration time 24 hours	Google Analytics Cookie Usage on Websites
www.rockerdalestudios.co.uk	_gid	Domain: .rockerdalestudios.co.uk This cookie enables us to estimate our audience size and usage pattern. Used to distinguish users. Expiration time 1 minute	Google Analytics Cookie Usage on Websites

You block cookies by activating the setting on your browser that allows you to refuse the setting of all or some cookies. However, if you use your browser settings to block all cookies (including essential cookies) you may not be able to access all or parts of our site.

Please note that our website uses the following third-party cookie:

Google Analytics

Google Analytics stores the information collected by the cookie on servers in the United States. Google may also transfer this information to third parties where required to do so by law, or where such third parties process the information on Google's behalf. Google will not associate your IP address with any other data held by Google.
